# NOVA DOWNLIGHT

## Concrete

The Nova Downlight is a hand made, rustic pendant in concrete with a beautiful raw finish. Every piece is unique. The finish will vary and give each lamp holder their own personality. With the included dimmable light source it can be used for both working and pleasure. Looks amazing anywhere, place it over your kitchen island, next to your bed or over your favorite plant. The light source is re-placeable.

## CONCRETE

GU10, Concrete  
H 90mm D 95mm, GU10  
Combine with any of our  
50 textile colors

Includes

Combine pendant with ceiling cup or wall plug available in black or white. Globe not included.

# MARBLE TABLE LAMP

Marble + oak

NUD is glad to announce the arrival of the Marble table lamp. This is a petit lamp that will be a great support to a bigger table lamp in your interior arrangements. It displays our unique light bulbs in a beautiful way and matches perfectly with the Marble pendant. The oak adds warmth and gives it the natural Scandinavian look. The Marble table lamp will make a nice detail in your home. Available in black or white marble.

Price: see separate Price List  
Combine pendant with ceiling cup or wall plug available in black or white. Bulb not included.

# MOON PENDANT

Clear and Space in three sizes

The MOON series consists of pendants in three different sizes and two finishes. Together they enhance the ability to create dynamic and beautiful clusters of light. The pendant has a round outer glass and a unique frosted inner pillar centered in the globe. When lit, the pillar illuminates and spreads a soft, ambient glow. These delicate pendants can be hung both individually or in a cluster to create beautiful spaces.

Moon is available in two colors; Clear (transparent glass) and Space (reflective, semi-black glass). The LED E14 light source is included with the pendant.

## CLEAR - SPACE

E 14 Glass lamp holder	Includes

## MIX AND MATCH

all together brilliant

The NUD concept draws inspiration from the Scandinavian design tradition. The result is an inspiring, four-part modular system which provides thousands of options. By simply combining lamp holders, textile cables and luminaires with shades, ceiling roses and fittings for walls or tables, you can easily adapt your lighting environment each time your interior design is updated. NUD helps you create sustainable homes in which lighting can be modified throughout your lifetime.

# WOOD BRACKETS

Black, White and Natural

Hang your pendant on the wall. Use your lamp holder as bedside reading light or as decorative wall lighting. With the Bracket you can easily transform your pendant.

Simply slip the lamp holder over the Bracket, fix with a simple knot and get a whole new setting.

The Brackets are made of wood and are available in three colors; black, white and natural.

Compatible with all NUD pendants

**BLACK - WHITE - NATURAL**

# BJORK **BLOCK**

## Birch, Black

Transform your pendant into a table lamp. The Bjork has a simple and smart design that makes it easy to place your pendant anywhere in your home. Simply slip the lamp holder into the oiled birch Block.

This Block allows you to reuse your pendant and adapt your lighting environment each time your interior design is updated.

Combine the Bjork Block with any of our pendants. The enclosed cork patches enables all NUD lamp holders to fit in the Block.

Compatible with all NUD pendants
